2. Oral presentation titled “ **Preliminary Report of Epidemiology of Industrial Hand Injuries in Hospital University, Kuala Lumpur** ” at the 1st Seminar on Occupational Health and Safety in the National Institute of Occupational Safety and Health.
3. Poster presentation titled “ **The Epidemiology of Industrial Hand Injuries And Their Socio-economic Implication** ” at the 2nd Congress of the Asian Pacific Federation of Societies for Surgery of the Hand, Singapore 1999.
4. Poster presentation titled “**The Epidemiology of Industrial Hand Injuries And Their Socio-economic Implication** ” at 1998 Convocation Scientific Session, University of Malaya.
5. Poster presentation titled “ **The Epidemiology of Industrial Hand Injuries And Their Socio-economic Implication** ” at IRPA Scientific Conference 1999.
6. Oral paper presentation titled “**The Epidemiology of Industrial Hand Injuries And Their Socio-economic Implication** ” at Health Review Conference, University of Malaya 1999.
7. Published case report titled “ **Scoliosis in Patient With Lipodystrophy--- Treatment Difficulties and Literature Review** ” at Medical Journal of Malaysia.
8. Member of Organising Committee of the APOA 10th Operative Spine Course
9. Table Instructor for AO Basic Course (18th – 20th September 2001)
10. Lecture given at Orthopaedic Review Course 2003 titled ‘Clinical Evaluation Of Scoliosis Deformity’

11. **“The Strategy in Selecting Fusion Level In AIS Using The Fulcrum Bending Technique”** Poster Presentation at Scoliosis Research Society Meeting 2003
12. **“Fulcrum Bending Technique Effectively Determine The Shortest Fusion Length In Scoliosis”** Oral Presentation at The Hong Kong Orthopaedic Association Scientific Meeting 2003
13. Member of Scientific Committee for 34th Malaysia Orthopaedic Association Annual Scientific Meeting 2004
14. Member of Scientific Committee (Spine Section) for 14th Triennial Congress of Asia Pacific Orthopaedic Association
15. Organizing Chairman for the 1st International Workshop on Minimally Access Surgery and Arthroplasty in Spine Feb 2004
16. Lecture Given during Vertebroplasty Workshop for Radiologist : Orthopaedic Management of Osteoporotic Vertebral Compression Fracture 28th May 2004 Radiological Department UMMC
17. Lecture given at Orthopaedic Trauma Course 2004 Title: ‘Soft tissue management in Trauma’ 30TH June – 3rd July 2004
18. Operating Theater and Table instructor for Orthopaedic trauma Course 30TH June – 3rd July 2004
19. ‘Anaesthesia for Scoliosis in Uncorrected Tetralogy of Fallot-Two case Reports’ ASEAN Journal of Anaesthesiology 2004; 5:1
20. **‘Hereditary Multiple Exostosis in Atlas Causing Cervical Myelopathy-A Case Report’** accepted by Journal of Bone and Surgery (British) awaiting publication
21. **‘Hereditary Multiple Exostosis in Atlas Causing Cervical Myelopathy-A Case Repor’** Poster presentation at Penang Mutiara during Malaysia Orthopaedic Association Annual Scientific Meeting 2004

22. **'Fucrum Bending Radiograhp in Determining The Level of Fusion in Adolencent Idiopathic Scoliosis'** Accepted for Oral Presentation On Triennial Scientific Meeting of Asia-Pacific Orthopaedic Association inSeptember 2004 at Kuala Lumpur
23. **'Neurologically Unstable Pseudoarthrosis of Thoracolumbar Spine Complicating Ankylosing Spondylitis: 2 Case Reports'** Accepted for Poster Display On Triennial Scientific Meeting of Asia-Pacific Orthopaedic Association inSeptember 2004 at Kuala Lumpur
24. **'Selection of Fusion Levels in Adolescent Idiopathic Scoliosis Using Fulcrum Bending Prediction : A Prospertive Study'** Spine 2008 Sep 15;33(20)2192-8
