

Brief CV of Ling-Qing Yuan, M.D.

1. Current appointment: associate professor of medicine, Institute of Metabolism and Endocrinology, The Second Xiangya Hospital, Central South University

2. International Recognitions

- I. National Prize for Progress in Science and Technology, 2008
Title: the study of Pathogenesis, diagnosis and treatment of post-menopause osteoporosis

II. **Editorial Board Members**

- a. Leading Guest editor: International Journal of Endocrinology (IF=2.376)
b. Leading Guest editor: Biomed International Research (IF=2.706)
c. Reviewer for Oncotarget, Regulate peptides, tumor biology and Plos One, et al.

- III. Hong Kong Scholar Award 2011, by The Society of Hong Kong Scholars.

IV. **3. Educational background & professional experience (in sequence of the latest year)**

2013/11-up to now, Central South University, The Second Xiangya Hospital, associate professor

2012/01-2013.12, Hong Kong University, Visiting Scholar

2006/07-2012/11, Central South University, The Second Xiangya Hospital, attending doctor

2001/09-2006/06, Central South University, M.D.

4. Professional Body Appointment

- I. Vice-chairman of the youth committee of the Chinese Society of Osteoporosis and Bone Mineral Disease of the Chinese Medical Association
II. member of the youth committee the Chinese Society of Endocrinology of the Chinese Medical Association
III. member of American Endocrine Society

5. Awards:

- I. Hongkong scholar award
II. National Prize for Progress in Science and Technology, 2008

6. Research Grants

Research title	Role	Grant resource	Date of grant

The mechanism study of Ghrelin regulating of arterial calcification through OPG/RANKL system	PI	NSFC	2013-2016
The regulation effect of miRNA on osteoblastic differentiation of vascular smooth muscle cells	PI	NSFC	2009-2011
Methylation of MicroRNA in regulating osteoblastic differentiation of vascular smooth muscle cells	PI	Program for New Century Excellent Talents in University	2014-2018
Ghrelin regulating calcification of vascular smooth muscle cells	PI	Chinese postdoctor grant	2012-2013
Novel microRNA regulating calcification of vascular smooth muscle cells	PI	Sheng-Hua excellent youth researcher in Central South University	2010-2015
